FACT SHEET
NATIONAL DRUG POLICY BOARD
THURSDAY, DECEMBER 3, 1987
10:00 A.M., ROOSEVELT ROOM
THE WHITE HOUSE

I. Introductory Remarks (Chairman Meese)

Introductory Remarks (Vice Chairman Bowen)

II. Discussion of Strategies and Policy Issues
(Chairman Meese)

During the past several weeks, the nine Lead Agency Committees of the NDPB have presented their policies, strategies, implementation plans and resource requirements for FY88 and FY89. These presentations accompanied the written submissions from each Lead Agency Committee. Some policy issues were raised during the presentation. These issues will be discussed.

III. Presentation of Discussion of Resource Management
(Chairman Meese)

The resource requirements necessary to support the Federal government efforts to eliminate the supply and demand of illegal drugs will be discussed.

IV. New Business

NDPB ISSUE PAPERS
NATIONAL DRUG POLICY BOARD
THURSDAY, DECEMBER 3, 1987
10:00 A.M., ROOSEVELT ROOM
THE WHITE HOUSE

1. Use of additional punitive measures against uncooperative foreign drug producing or transit countries.
2. Endorsement of increased contributions to UNFDAC.
3. Legislative proposal to provide U.S. Customs and the Coast Guard with the authority to use appropriate force.
4. Increased border security and its possible effects on the unimpeded flow of commerce into the U.S.
5. Establishment of a National Drug-Free America Week.
6. Mandatory drug testing of federal contractors in sensitive areas.
7. Increase in federally funded treatment slots.
8. Endorsement of research on the distribution of clean needles.
9. Mandatory drug testing for parolees and those on probation.
